

Camp Season 2021 - Jobs List

Find cleaning supplies and Protective Gear. Keep the work room and sheds like Eric would!

****Remember to get garbage, compost and recycling out Monday night. Check the schedule in the kitchen****

Cabins

- **Rake leaves away from cabin foundation/footing, and out from under cabins.**
- **Check for hand soap, baking soda for sinks, bleach water spray bottles and a broom.**
- **Give your cabin a good sweep.**
- **Wipe down all surfaces with either bleach water or soapy water if adverse to bleach. Dilute soapy water only on cloth mattresses.**
- **Clean out eavestroughs (two people, ladders)**

Nelson Hall

- **Dust and wipe down tables and benches.**
- **Sweep floor**
- **Remove blanket from piano**
- **Trim plants outside lakeside windows.**

Art Room:

- **Unpack and Organize Art Room**
- **Assemble new tables.**
- **Wipe down all surfaces in the Art Room with Windex to clean grime.**

Kitchen

- **Find and organize mops and brooms for cabin clean up and for kitchen floors.**
- **Look for regular supplies. Bleach, TP, Paper Towel, Hand Sanitizer, Hand Soap, Laundry Soap, Dish washing Liquid, Garbage Bags, Compost Bags.**
- **Make up bleach spray bottles as needed. 1% solution is plenty for a fresh solution. (10 mL / 1000mL; 10 mL is about two capfuls).**
- **Keep the kitchen clean and wipe down surfaces regularly with bleach water (spray bottles) including commonly touched handles and other surfaces.**
- **Disinfect sinks with bleach at the end of the day.**
- **Look at the Garbage and Recycling Schedule. Our pick up is Tuesday morning.**
- **Take all your food with you when you leave.**

Meeting Center

- **Keep swept and tidy**
- **Maximize ventilation.**

Waterfront

- **Rake and tidy as needed.**
- **Ensure boats and other equipment are in the boat house and locked when you leave.**

Around Camp

- **Remove windfall branches, rake leaves (first from paths, later from all open areas)**
- **Trim branches along driveway and paths.**
- **Put road signs back up.**
- **Rake path to water.**
- **Check ditch at side of Beach Path and clear if necessary.**
- **Offer to cut grass! This is a big, continuous job.**
- **Tighten Play Structure bolts and clean grime throughout,**
- **Check Sports Shed for critter houses and remove if found. Assess Sports Equipment.**

SPECIAL LARGER TASKS:

- **There needs to be a double bed placed in Willson. Moving the one from King is an option.**
- **Some mattresses sorting is needed. Have a look at the cabins and see if you can help distribute them effectively.**
- **King Cabin has too much furniture. Thoughts? Have a look around and see if some items could work in Haslam Cottage or in another space.**

AT THE CAMP HOUSE:

- **Move any easily movable items in the front entrance of the Camp House to the basement or to the side storage room.**
- **Have a look in the kitchen and see how it could be made inviting for people to use. Extra dishes are available so don't take them from the kitchen. Ask please. If you want to make a list, that would be great.**
- **Move the bench in the living room to the front entrance room, may against a wall.**

- **Start a small wood pile in the front entrance for winter stove use.**
- **Painting: please see next section.**

IF YOU WANT A BIGGER CHALLENGE:

Please contact me at wilson_yangk@yahoo.ca. PD has a list of larger jobs and a few design and measuring tasks as well.

If you are interested in painting a room in the Camp House and ARE EXPERIENCED please let me know.
